

## The Green Ribbon: A British Mystery

This novel is a British mystery created by Edgar Wallace, a best-selling author of his time. The book starts with the beautiful young heiress Edna Grey sailing to England and accidentally meeting the Scotland Yard Chief Inspector M. M. Luke -- and from here the plot thickens. There are illegal horse racing, a betting syndicate, some strange and sinister men and many unexpected plot twists and turns... Edgar Wallace himself said: I think it is the best racing thriller I have written.
