

## Style: Ten Lessons in Clarity and Grace, Canadian Edition

The four sections - Style as Choice, Clarity, Grace, and Ethics - feature principles of effective prose, chapter summaries for quick and easy review, and group exercises that encourage students to work and learn together. Williams/Nadel offers these principles as reason-based approaches to improving prose, rather than hard and fast rules to writing well. Style: Ten Lessons in Clarity and Grace, empowers students to use their writing not only as a tool to identify and solve problems, but also as a method for exploring their own thinking.
