

The Edge of the Water

On Whidbey Island, secrets never stay buried. A mysterious girl who won't speak; a coal-black seal named Nera that returns to the same place every year; a bitter feud of unknown origin - strange things are happening on Whidbey Island and Becca King is drawn into the maelstrom of events. But Becca, first met in *The Edge of Nowhere*, has her own secrets to hide. Still on the run from her criminal stepfather, Becca is living in a secret location. Even Derric, the Ugandan orphan with whom Becca shares a close, romantic relationship, can't be allowed to know her whereabouts. As secrets of past and present are revealed, Becca becomes aware of her growing paranormal powers and events build to a shocking climax anticipated by no one. Acclaimed author Elizabeth George brings her extraordinary talents to this intriguing story that blends mystery and myth.
