

Good Luck, Ivy! (American Girl (Quality))

Ivy Ling feels unlucky. Her best friend, Julie Albright, has moved away, her mom is super busy with law school, and Ivy has to go to Chinese school every Saturday. Worst of all, Ivy learns that the annual Ling family reunion is scheduled for the same day as the All-City gymnastics tournament, for which Ivy has been practicing for months. When Ivys parents tell her she has to decide which event to attend, she despairs--how can she please both her gymnastics coach and her family? Gradually Ivy realizes that she can make her own luck--and make a decision thats right for her.
