

# Mastering Influence: Learn the Power of Mind Control and Hypnotic Language Patterns (Basic to Advanced Conversational Hypnosis)

Would you like to learn how to increase the impact of your conversation? Would you like to stop hearing people tell you no and start hearing them tell you yes? Stop wishing for it and make it happen, thanks to conversational hypnosis. This book takes you through the steps and techniques for both basic and advanced conversational hypnosis. With this book, you will be able to use the principles of language and communication combined with hypnotic language and hypnotic language patterns to get people to sit up and take notice when you speak. You will learn how to get their attention, hold it, and get them to easily be persuaded and influenced by you. If you have ever wanted to boost your communication skills, this is the way. It does not matter if you are in sales and want to increase your sales or if you are a business owner who wants to create an impact with your presentations and meetings, this book and the conversational techniques included will help you succeed.
