

## Beautiful Whippets: Whippets are Small English Sighthounds (Calvendo Animals)

Whippets were bred to hunt by sight, coursing game in open areas at high speeds. They are quiet, intelligent, and not prone to barking, but require regular exercise. Despite being bred for racing, Whippets are couch potatoes. When not running around, they are usually asleep. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
