

Good Questions Have Groups Talking -- Old Testament Survey

12 ready-to-use lessons that take the group through a survey of the Old Testament. Each lesson consists of 20 or so ready-to-use questions that get groups talking. Answers are provided in the form of quotes from respected authors such as John Piper, Max Lucado and Beth Moore. These lessons will save you time as well as provide deep insights from some of the great writers and thinkers from today and generations past. I also include quotes from the same commentaries that your pastor uses in sermon preparation. Ultimately, the goal is to create conversations that change lives.
