

[Menage Amour: Erotic Cowboy Menage a Quatre Romance, F/M/M/M, BDSM, Sci-Fi] What can three Texans do to a womans body and heart? Kylie is about to find out. Beyond her wildest dreams. On a parallel Earth. Its 2009...Kylie is on the run from the law for a crime she didnt commit. A promising doctoral student, shes lost everyone and almost everything, except for what she stows in her car. Now, Kylie has to salvage the rest of her life. But where, in this age of GPS tracking, TVs Most Wanted and cameras everywhere? Its 2009...Dillon, Dono and Dash are three brothers desperate for a wife to brand as their own. The Union made women scarce in the Three Star Republic by releasing a bio weapons plague during the border wars. These tough-as-leather Texans will do anything to keep the right woman, even if they have to lasso her like a wild filly and love on her until she loves them back. ** A Siren Erotic Romance
