

Chinas Political System

A concise introduction to the political, economic, and social factors that determine Chinas government. Highly respected specialist June Teufel Dreyer offers expert analysis of the challenges facing Chinas economic, legal, military, social, and cultural institutions while examining the historical context and current trends. Chinas Political System asks readers to think about the broader problem of governance in China by comprehensively showing how the past and present impact leaders, citizens, ethnic minorities, and policies. Note: This is just the standalone book.
