

Crimen y castigo/ Crime and Punishment (Spanish Edition)

Una visita de Balzac a San Petersburgo le sugirió al joven alférez ingeniero Fiodor Dostoievski la idea de traducir a Eugénie Grandet. La traducción hizo mucho más que sacarle de un apuro económico; despertó su fiebre creativa y su vocación. Entonces, decidió solicitar la excedencia y dedicarse a la literatura. Obra realmente genial, *Crimen y castigo* es una de las más grandes creaciones de la literatura mundial. Todo el dolor humano palpita y nos contempla desde los estremecedores cuadros de miseria, de vejación personal, de soledad y de asfixia moral propios de una gran ciudad. Contradiendo su propia teoría de que no existen motivos sociales para justificar el crimen, se diría que Dostoievski ha puesto en esta novela todo su afán de acumular y sacar a la luz precisamente las circunstancias sociales que, a cada paso, empujan a la persona a llegar al crimen, aunque sea para afirmar su yo y probarse a sí mismo que es un hombre.
