

The Uninvited Guests: A Novel

A grand old manor house deep in the English countryside will open its doors to reveal the story of an unexpectedly dramatic day in the life of one eccentric, rather dysfunctional, and entirely unforgettable family. Set in the early years of the twentieth century, award-winning author Sadie Jones's *The Uninvited Guests* is, in the words of Jacqueline Winspear, the New York Times bestselling author of the Maisie Dobbs mysteries *A Lesson in Secrets* and *Elegy for Eddie*, a sinister tragic-comedy of errors, in which the dark underbelly of human nature is revealed in true Shakespearean fashion.
