

## Dark Child (Covens Rising): Episode 2

In her dreams, she craved fresh blood. Warm human blood. And her incisors were long, sharp - able to bite through a fragile layer of skin with ease. What sort of monster does that make me? Kat discovers that her presence in Paris isn't such a secret anymore. But if she has to battle the Directorate again, it seems she'll have much more support this time. Some of it from the most unlikely sources. Meanwhile, teenage loner Ben discovers that he has much more in common with Yara Fortes, the girl of his dreams, than he ever hoped. But in a cruel twist of fate, the shared secret that links them together could also get them killed. This title is the second novella-length episode of Dark Child (Covens Rising), which will conclude with Episode 5.
