

## Design and Launch an Online Social Networking Business in a Week (ClickStart Series)

Are you a virtual social butterfly? Captivated by the buzz of new media? Interested in setting the online social scene for others? And making a profit doing so? Tap into the millions of MySpace users and Facebook friends to create your own specialized social site! In just seven days, identify your network niche; develop an inviting, interactive website; drive traffic and membership; build profitable online advertising relationships; and more!

Design an attractive, interactive social networking website using inexpensive, turnkey solutions that require no programming knowledge. Define your community and set the tone. Offer interactive features including profile pages, member search options, media add-ons, and more. Generate traffic and membership using search engine optimization, viral and social marketing, and other techniques. Cash in on your site with proven, revenue-generating solutions. Use included resources to stay on the cutting-edge.
