

Most people spend at least 40 hours a week in the office, and constant deadlines, heavy workloads, and daily dilemmas can make working a stressful experience. In his new book, Richard Carlson shows readers how to interact more peaceably and joyfully with colleagues, clients and bosses. He reveals tips such as planning what you're going to say in a meeting or presentation, taking a deep breath before reacting to a co-workers criticism, and asking for a raise in the most effective way possible. Transforming your outlook at the office will not only ease stress in the workplace, it will also lead to a happier life at home. Written in Carlsons warm, appealing style, Dont Sweat the Small Stuff at Work is certain to be an inspirational bestseller to the thousands who loved his previous books.

Fireplaces, Notable Women of Olden Time, Gettysburg July 3 1863: Confederate: The Army of Northern Virginia (Order of Battle), Mr. Fussy (Mr. Men and Little Miss Book 21), Hedningen och andra berättelser fran Soderhafsoarna (Swedish Edition), ABC of Sports and Exercise Medicine (ABC Series),
