

Bugs. (First Facts)

Start a lifetime of learning with the First Facts series. First Facts Bugs introduces children to the world of reading, with lively illustrations and simple text to help build confidence and development. Bursting with fun bug facts and figures, children will love flicking through and learning as they go. Questions such as how many legs does a millipede have? and what do beetles eat? are answered. Fun and educational, these books are perfect for home-reading where children can indulge in their interests - a valuable teaching aid for both parents and teachers.
