

[Siren Menage Everlasting: Erotic Cowboy Menage a Trois Romance, M/F/M, bondage, fire play, sex toys, HEA] Sexy television investigative reporter Jessie McCallister has returned to Intrigue, Wyoming, after eleven years and wants it all-her career and her two high school dream men, hunky newspaper mogul Cody Callen and hot arson investigator Shane McKee. After she watches these brave men save a young boy from a burning building, she knows these heroes are still the ones for her. As the three of them investigate the fire and share information, they connect on an emotional and sexual level. However, after Jessie agrees not to expose the possible identity of the arsonist because it may harm the stations bottom line, Cody and Shanes rock-solid belief in telling the truth forces them to set her free. What does she have to do to win back their respect and love? Note: There is no sexual relationship or touching for titillation between or among the men. ** A Siren Erotic Romance
