

## Arcadia Falls: Free First Chapter

In debt after her husband's unexpected death, Meg Rosenthal secures a job as a teacher at an upstate New York boarding school. Leaving suburban Long Island, Meg and her teenage daughter, Sally, embark on a new life in Arcadia Falls, a beautiful but isolated small town and the inspiration for a number of magically eerie fairy tales. With a hurtful rift growing between her and her daughter, Meg is hopeful that the change of scene will provide them with a fresh start. But it soon becomes clear to Meg that this isolated community hides deeply rooted and deadly secrets. And after a mysterious death, Arcadia Falls begins to reveal a disturbing dark side.
