

## Courageous Heart: Bible Study for Women (Book 2)

Courage is needed to bring about change. In this 4-week study, you will learn life-changing principles from the bible, specifically about how four women demonstrated courage in tough situations: Abigail, Deborah, Rahab, and Esther. Within each weeks lesson, you will find focus scriptures to memorize related to the current topic; Lesson Insight that discusses the weeks story in depth; Speak the WORD affirmations that confirm your identity in Christ; and Aim for Change that provides questions for further reflection and discussion. You will discover that you were not put on the Earth just to get by; you were put on Earth to make a difference. You do all things through Christ who strengthens you!
