

Still Wishing (Pickleville Series Book 6)

Owen Ashby was in a car accident that didn't only leave him paralyzed but changed his whole life forever. Owen turns into an angry man, pushing everyone who loves him away. His brother and cousin drop him off at the Heath Farm as a last ditch effort to help Owen get on with his life and change his attitude. Owen meets Neil, a farmhand whose innocence captures Owen's attention. Neil is the only one that has been able to see through Owen's bad attitude. Owen must get his life together if he wants a chance with Neil.
