

Foolish

As one of the hottest radio personalities, Kayla, the Gossip Queen, has the fast-paced, glamorous life that many dream of. But one thing eludes her. Love. Growing up in a family where her father was nothing more than a ghost, Kayla sets her sights on finding true love and creating the perfect family of husband, wife, home, and children--even if she has to slip up and make a ton of mistakes along the way. When she meets Shawn Dewitt at a club, their attraction is immediate. Despite the less than perfect beginnings, such as dealing with Shawn's deranged ex-girlfriend, Kayla finds herself falling hard and fast. All Kayla sees is Shawn's charm, great looks and mind-blowing sex. She braces herself for the highs of love and the lows of perpetual infidelity and lies. After being with a man who constantly makes her question her role in his life and her vision of the perfect family, Kayla has to ask herself, Am I right to fight for this love, or am I being foolish?
