

Freaks: A Rizzoli & Isles Short Story: .

In this Rizzoli & Isles short story from New York Times bestselling author Tess Gerritsen, a bizarre death comes with a supernatural twist. Homicide cop Jane Rizzoli and medical examiner Maura Isles have seen their fair share of mortal crimes, but the death of Kimberly Rayner may qualify as inhuman in more ways than one. When corpse of the emaciated seventeen-year-old girl is discovered next to an empty coffin in an abandoned church, mysterious bruises around the throat suggest foul play. Caught fleeing the scene is the victims closest friend, Lucas Henry, an equally skeletal, pale teenager who claims hes guilty only of having a taste for blooda craving he shared with Kimberly. But the victims distraught father doesnt believe in vampires, only vengeance. And now, another life may be at risk unless Rizzoli and Isles can uncover the astonishing truth.Includes an excerpt from Tess Gerritsens Rizzoli & Isles novelThe Silent Girl
