

Frostborn: The Undying Wizard (Frostborn #3)

RIDMARK ARBAN is the Gray Knight, and he quests for the ruined citadel of Urd Morlemoch, seeking a way to stop the return of the dreaded Frostborn. For if he does not find a way to stop them, the Frostborn shall entomb the world in ice forever. MORIGNA is the cunning Witch of the Hills, feared and mistrusted by the townsmen of Moraime. Yet darker things stir in the hills. A trap that might devour both her and the Gray Knight... ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNERS GUIDE series of computer books, and numerous other works. Visit his technology blog at: <http://www.computerbeginnersguides.com>
