

Gettysburg: What They Did Here: Profusely Illustrated Historical Guide Book (Classic Reprint)

Excerpt from Gettysburg: What They Did Here: Profusely Illustrated Historical Guide Book It is claimed that in no battle during the war of the Rebellion, was there ever displayed such a brilliant mastery of the arts war - as was exhibited by both armies on the field of Gettysburg. This gigantic struggle was fraught with such mighty results, that the story of those three days in July, 1863, will remain forever vividly depicted upon the pages of history. Much has been written of this great battle. No conflict between the Blue and the Gray, has been more fully described - and - yet every new account finds thousands of eager readers. Every one having access to this vast library is supposed to be familiar with the story of Gettysburg, yet - the average citizen has not the time, nor inclination, to peruse volume after volume in the search for the substance of fact. In the preparation of this book, the author has had access to the best works on Gettysburg, together with his Note, - the accumulation of many years acquired upon the field, from prominent officers and men belonging to both armies with whom he has come in contact. He therefore takes pleasure in presenting to the public, this condensed story of Gettysburg: What they did here - with the belief that all will find it historical true and interesting. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
