

## The Ghosts Omnibus One

Here for the first time in one volume are the first four books of the internationally bestselling THE GHOSTS saga - CHILD OF THE GHOSTS, BLADE OF THE GHOSTS, GHOST IN THE FLAMES, and GHOST IN THE BLOOD. When her life is torn apart by sorcery and murder, young Caina Amalas joins the Ghosts, the legendary spies and assassins of the Emperor of Nighmar. She learns the secrets of disguise and stealth, of assassination and infiltration, and grows from a frightened child to a Ghost nightfighter, a woman who can face the most terrible foes and prevail through boldness and cunning. But even that might not be enough to save her. For the evil that destroyed her family seeks to devour the entire world... ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNERS GUIDE series of computer books, and numerous other works.
