

## Heart of the Raven: Mini Prologue Collection

Warning: Short. Not a full length novel. This is a collection of nine flash fiction prologues for the book Heart of the Raven, the fifth novel in the Amaranthine vampire series. These stories are not intended to stand on their own, but as a supplement to the novel. Meet Cyrpus, Neil, Sadihra, Wolfe and others as they go about their business the day before Heart of the Raven opens. None of them know that their fates will soon become intertwined, or that their seemingly unimportant actions may have consequences that will echo for a lifetime to come. BONUS: read the first chapter of the Heart of the Raven.
