

His Mate- Brothers- Jett- Book Two of Wynn and Clancy (Lycan Romance)

Jett kept one eye on the mountains ready and willing to run at the first sign of the mate that his pack sisters had threatened to spell into his life. But when trouble came sweeping into town, he wasn't ready for it. He certainly wasn't ready for the carnival that trailed in behind her. Heather needed to get out of town and found herself with more than she'd bargained for when she encountered Jett. But the baggage that she'd dragged along behind her threatened not only her but everyone around her. How could she stay knowing that her mere presence put everyone in danger? Was she really the kind of mate that Jett needed? Would she live long enough to find out?
