

Houses Designed for The Country

There's little that's more peaceful than living in the country. Wide open spaces, picturesque surroundings and the unmatched tranquility of living far from the city are just some of the things that draw people to dwell in rural areas. Houses for the Country takes its readers on an exclusive journey to some of the world's most enticing rural homes, locations that encourage everyone to pack up their traps and escape to the country. From barn renovations in England's Cotswolds, to the open-air rainforest retreats in Australia's Far North Queensland, every home presented is unique in its design and intention, responding individually to the distinctive landscape upon which it is built. Colour illustrations throughout. Includes floor plans
