

The Bible Jesus Read

If you think The Old Testament is just a mysterious, outdated book - think again. It is the Bible that Jesus read, used, and loved. It is Gods biography, the story of his passionate encounters with people. And it is a prequel to the story of Jesus, who came to answer the questions that troubled the ancient writers and still trouble us today. For expressing our deepest longings and voicing the full range of our lives and emotions, The Old Testament has no equal. In this recording, Philip Yancey, winner of 8 Golden Medallions, explores the sometimes shocking, often cryptic scriptures. You will come to know God more intimately, anticipate Jesus more fervently, and find a wonderful, wise companion for your faith journey.
