

In Reality, There Are No Limits: A Success System for Sports, Business and Life

Whether in sports or business, the difference between Champions and the rest is a matter of millimeters. For over 20 years, Adolfo Gomez Sanchez has been working with with pro athletes and leading corporations to help them achieve those millimeters of advantage and unlock the path to optimal performance. Excellence under pressure is the result of consistent application of a series of basic principles. Adolfo breaks these success habits down and explains not only how to incorporate them, but why they are so important and how they work to drive our most powerful asset: the mind. Realizing full potential begins by challenging limiting paradigms and understanding Adolfo's slogan Impossible only means that no one's done it . . . YET!
