

The Girls and Nugent Miller

Robert Sheckley (1928-2005) was a Hugo and Nebula nominated American author. First published in the science fiction magazines of the 1950s, his numerous quick-witted stories and novels were famously unpredictable, absurdist, and broadly comical. Sheckley was given the Author Emeritus honor by the Science Fiction and Fantasy Writers of America in 2001. The Girls and Nugent Miller originally appeared in The Magazine of Fantasy & Science Fiction, March 1960 issue.
