

## Jeremiah (Rollins Pack)

Jeremiah Rollins has it all. As heir to the Pittsburgh werewolf pack and a thriving conglomerate, with good grades and playing the holy trinity of sports at his exclusive school, Jeremiah wants for nothing. Except he wants none of it. Jeremiah's parents struggle with their rebellious sixteen-year-old son as he cultivates a reputation for partying and playing. He gets chance after chance until he encounters Ashley, a beautiful new human import from California. In an effort to piss off his parents and run away from his responsibilities, he tries to see her. One drunken evening results in Jeremiah crossing lines no Alpha-heir should ever cross. Despite the Rollins family going to great lengths to help Ashley, her parents get involved, which leads to catastrophic results that will change the Rollins family forever.
