

## Reckless (Mills & Boon M&B) (Silhouette Shipping Cycle)

From elite London society to the golden sands of Egypt and the sacred places of the heart When Kat Adair plunges into the waves to rescue a drowning man, it is just the beginning of an odyssey that will sweep the fishermans daughter into danger and desire. Convinced she is in love with the man she saved, Egyptologist David Turnberry, she feigns amnesia, thus enabling her to linger among the highborn. Hunter MacDonald, rugged archaeologist, is wise to her little charade and determined to protect his best friend. Undaunted, Kat stows away on the ship carrying David and Hunters expedition party to the land of the pharaoh. Scandal ensues, and Hunter vows the only way to curtail this confounding womans schemes is to marry her. Inevitably, in the sultry heat of the desert, passions ignite. But as the secrets of the ancient tombs are revealed, terrible danger unfolds, and Kat must trust the one man willing to risk everything to save her from doom.
