

Kants Critical Philosophy for English Readers, Vol. 1 (Classic Reprint)

The able co-operation of one of my colleagues, together with class-room criticisms of others, has enabled this work to appear in a new edition, not only purged of many defects, but completed by the addition of several chapters on theDialectic and Methodology of the Pure Reason. It is also offered to the public in a cheaper form, one volume containing the whole Kritik, while the second gives a revised translation of the Prolegomena. Without the help of Mr. Bernard, who has written the whole commentary from p. 237 onward, and who corrected and improved all the rest, it is not likely that this, my third declaration upon Kant, would ever have seen the light; and indeed I will here add, that I am not responsible for certain Hegelianisms which appear in his notes on theDialectic. But haec hactenus. It is my desire to state candidly and unreservedly what my younger colleague has done to help me. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
