

L'Ancien regime et la Revolution (French Edition)

Extrait : Il ny a rien de plus propre a rappeler les philosophes et les hommes d'Etat a la modestie que l'histoire de notre Revolution ; car il ny eut jamais devenements plus grands, conduits de plus loin, mieux prepares et moins prevus. Le grand Frederic lui-meme, malgre son genie, ne la pressent pas. Il la touche sans la voir. Bien plus, il agit par avance suivant son esprit ; il est son precurseur et deja, pour ainsi dire, son agent ; il ne la reconnait point a son approche ; et quand elle se montre enfin, les traits nouveaux et extraordinaires qui vont caracteriser sa physionomie parmi la foule innombrable des revolutions echappent d'abord aux regards.
