

Legends of Lasniniar: The Vow (The World of Lasniniar)

Promises are easy to make; the only hard part is keeping them. The Sea Folk rarely bother with the affairs of the land-dwellers, but even the open waters surrounding Ralvanian have become dangerous for elf and Sea Folk alike. As Speaker of the Folk, Nimrilwyn must decide where her loyalties lie: with her Sea Elf friends, or the safety of her own people. This 8,600 word fantasy novelette adventure takes place just before Light Chasers in the World of Lasniniar Series.
