

Major-General Winfield Scott Hancock: Oration at the National Cemetery, Gettysburg, May (Classic Reprint)

Memorial Day was to Jfe commemorate the defenders of our coun- who died during the War of the Rebellion. But custom has widened the scope of our ceremonies, and we now commemorate our dead comrades whether they died during the war or since its close. When I accepted your courteous invitation to address you on this occasion it was my purpose to take as my theme the great cause which impelled our comrades and ourselves to obe the Nation scall ;but the recent death of the irt;at soldier whose fame is inseparably associated with the battle here fought, and who upon his last visit to this field but short six months ago was the honored and grateful recipient of your heartv welcome, suggested to me that under the circumstances I could have for this occasion no theme more appropriate, none more acceptable to yourselves than Winfield Scott Hancock.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
