

## William Cobbett (Classic Reprint)

Excerpt from William Cobbett This chapter is here called The Revival of Cobbett. As originally planned, only a little while ago, it was to have been called The Neglect of Cobbett. It is not unimportant to realise how recent has been the change. It is but a year or two ago that I had the great and (it is to be feared) the undeserved honour of reading a paper on the subject to the Royal Society of Literature on my admission to that body, which certainly consists almost entirely of men who know much more about literature than I do. It was a graceful formality on such an occasion for the least learned person in the room to lecture to all the rest.
