

## Unlimited Income: How to Win the Game of Life

Many people admire the life of an athlete because of the fame and the fortune but most people don't get to see the daily battles that must be fought when the lights are off. How do you plan for life after sports? What do you do to give yourself the best possible chance of success? Developing inner wealth such as a sense of purpose, meaning and passion for life is an integral part of any true success. As important as winning trophies, medals and bonuses are, we also need to cultivate and nurture a passion for life after sports. Whether you are an athlete or somebody who is looking for more out of life, let this book be the door to more. Life after sports expert and empowerment coach Kieran Ekeledo explores how retired professional athletes go on to win the game of life. From the practical steps he learnt from his interviews with Pat Lally, Byron Bubb, and many more, he has engineered the world's first ATHLETE SUCCESS CYCLE. Discover: -How to begin your new career journey? -A step-by-step system in how to earn an income around the life you love -How to take action and create the right environment for learning? -Our connection to competition and how it plays an important role in our lives -Why fretting your retirement is normal and natural? -How to build a compassionate environment that supports you? -The five career paths for retired athletes and how you get started -One important and powerful tool that is extremely effective but often forgotten -Useful and helpful learning strategies -How to take action and create the environment for learning? -The blessings and gifts an early retirement gives you and how you can use it as another milestone on the life of your dreams Learn more about what gives us personal meaning in life, ways to plan for the future, and daily practices to help us become more connected with our goals for life. You have the best opportunity to win the game of life. This translates to not just

a more heartfelt experience day to day, but greater self-confidence, and a more driven, focused approach to achieving real success in our truest and most desired endeavours.
