

Rejected - Four Week Mini Bible Study

In this four week mini Bible Study you will discover the power of acceptance in your life. The acceptance we all have from God, and why its important to accept our self, flaws and all. Rejection is a powerful force in our life and our Christian walk. It effects our confidence in God and His call on our life. But little do we know the power we have to let go of the control it has on us. Rejection is also an attitude that results in an action that looks a lot like putting space between you and someone who has hurt you. I pray this book will bless you in a way where you will release idols and embrace acceptance in your life rather than the lie of rejection. Each week also includes a weekly scripture to memorize and a place to journal your activities.
