

Taking Control: Cracking the Code to Happiness

Do you feel out of control, depressed, stuck, disillusioned, defeated, rejected, dejected, afraid, confused? If so, this book will help you take back control of your life and give you the key to crack the code to happiness. You can get what you want, be the person you want to be, and most of all, you can be happy. The lessons in this book are time-proven, reliable, easy and fun. You will learn to live with integrity and gain the trust and confidence of your friends and family. You will learn about positive and healthy relationships, how to form them and how to maintain them. You will learn how to disconnect from toxic relationships. You will learn how to get what you want out of life. You will learn how to lose all types of fear. You will learn not to take yourself too seriously, not to settle for less than you want, and how to take disappointments and turn them into opportunities. In the final quest for happiness you will learn how to forgive and forget. There's also some practical information about how to take control of your finances and your health. As New York Times Best Selling Author Laura Corn says, This book will change your life in a good way.
