

Nuns and Soldiers (Penguin Twentieth-Century Classics)

Set in London and in the South of France, this brilliantly structured novel centers on two women: Gertrude Openshaw, bereft from the recent death of her husband, yet awakening to passion; and Anne Cavidge, who has returned in doubt from many years in a nunnery, only to encounter her personal Christ. A fascinating array of men and women hover in urgent orbit around them: the Count, a lonely Pole obsessively reliving his emigre fathers patriotic anguish; Tim Reede, a seedy yet appealing artist, and Daisy, his mistress; the manipulative Mrs. Mount; and many other magically drawn characters moving between desire and obligation, guilt and joy. This edition of *Nuns and Soldiers* includes a new introduction by renowned religious historian Karen Armstrong.
