And, if you don't burst out laughing from at least one Information Technology Manager joke in this book, there's something wrong with you. This book has so many Information Technology Manager jokes; you won't know where to start. For example: Why do Information Technology Managers wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace.***An evil genie captured an Information Technology Manager and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Information Technology Manager brought a car door, because if it got too hot she could just roll down the window!***Did you hear about the Information Technology Manager who wore two jackets when she painted the house? The instructions on the can said: Put on two coats.***Why do Information Technology Managers laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.***
