

Old Testament Challenge Volume 3: Developing a Heart for God: Life-Changing Lessons from the Wisdom Books

Discover the Life-Changing Relevance of the Old Testament. This dynamic program takes your church on an eye-opening, heart-searching journey through Scripture on three interlocking levels: Whole congregation---The major themes of the Old Testament snap into focus during 32 weeks of creative and powerful messages that take your entire congregation through the Old Testament. Small groups---Truths taught in corporate worship get reinforced through discussion and relationship. Small groups dig deeper into Gods Word and apply it to their daily lives. Individual---The Scriptures get up-close-and-personal as each participant takes a life-transforming journey through the first two-thirds of the Bible using the Taking the Old Testament Challenge individual reading guide. This threefold approach will drive the truths of Scripture deep into the heart and life of each participant, with applications designed to turn lessons into lifestyles and principles into practice.
