

ARE YOU READY? Time is passingday by day, hour by hour, minute by minute. WHAT will it take for people to realize that at the end of their time, DEATH is coming? We will ALL face it one day; for ALL who LIVE shall surely DIE. But DEATH is NOT the END, as many would like to believe. There is an ETERNITY....SOMEWHERE, and it only comes in two forms - HEAVEN or HELL. Most would choose NOT to believe this, but it is truth. If you havent thought about ETERNITY, you should. If I am wrong, you have lost nothing by considering what is written within these pages, BUT, if I am RIGHT, you have lost EVERYTHING by ignoring it. These pages contain excerpts from life. Life as we know it now....as we read it in the daily newspapers...as we watch it unfold on TV...as we live it day to day. Each story is based on a true event heard on the news or read in the paper. Life as it was known ENDED. Where will they spend ETERNITY? Read and then decide for yourself. DO NOT BE CAUGHT UNPREPARED!
