

# Mobile Home Wealth: How to Make Money Buying, Selling and Renting Mobile Homes

For years, mobile homes have been the butt of jokes?and definitely under the radar of most real estate investors. Yet for a small but growing group of savvy investors, they have become a tremendous asset. Written by one of the top professionals in the business, Mobile Home Wealth is an easy-to-understand book that can guide you to one of the most lucrative investments in real estate. The author begins by presenting the basic principles and practices of real estate investing. He then applies these principles to mobile homes, covering every step of the investment process from choosing a home to financing the purchase, negotiating the price, improving the property, and selling or renting for maximum gains. Whether you are looking for a smart addition to your portfolio or searching for a new and different business, this book will forever change the way you view mobile homes.
