

Excellency of Christ (Annotated and illustrated): How can Jesus Christ be the Lamb and Lion at the same time

This is not just a reproduction of the work Excellency of Christ but also an analysis of the impressive structure of this powerful sermon. What resources the author used to clarify his message? In this issue, mind mapping techniques are used to visually illustrate the structure without distracting the reader from the target, and thus provide two lessons at once: the lesson that provides the reading of the speech and the art of being able to replicate the same technique in their own communications. The Excellency of Christ was preached in Northampton, Massachusetts by Jonathan Edwards and printed in 1738. This sermon explains Christ's excellency in terms of almost contradictory conjunctions such as Christ being a lion and also a lamb at the same time. In the APPLICATION the reader is exhorted to love and embrace Christ as friend, portion and Savior because of His many excellencies.
