

Finding Faith (Pirates & Faith Book 4)

Emma James hates the thought of change, but as hard as she tries to stop it, she finds change is inevitable, particularly when her fathers business, and therefore her livelihood, is threatened. The last thing she wants thrown into the midst of it is romance. Determined never to marry or give up her passion for sailing, Emmas quick temper lands her in more and more trouble, especially when it brings a kind and handsome rival captain into her life, throwing it into turmoil. In the dramatic conclusion to Pirates & Faith, can Emma find the faith to trust that Gods plans truly are better than her own, or will it be too late for a second chance?(Young Adult/Christian Fiction)
