

## Platinum Cowboy (Diamonds and Daddies Book 1)

A true diamond in the rough, self-made man Flint McKade was one of the wealthiest men in the world and one of the hottest bachelors in Texas. So when his beloved Diamondback Ranch was sabotaged, Flint had a long list of suspects to choose from. His new veterinarian, Lora Leigh Whittaker, seemed to have an agenda, but he couldn't imagine the gorgeous blonde was out to get him. Then she was attacked, and Flint appointed himself her personal bodyguard. Standing beside her day and night, the chemistry that had been there from day one became unbearable. As a billionaire he was used to getting what he wanted. And he wanted her safe, in his arms and in his bed.
