

Promised Land: Thirteen Books That Changed America

In this lively exploration of Americas intellectual heritage, acclaimed poet, novelist, and critic Jay Parini celebrates the life and times of thirteen books that helped shape the American psyche. Moving nimbly between the great watersheds in American letters including *Walden*, *Huckleberry Finn*, *The Souls of Black Folk*, and *On the Road* Parini demonstrates how these books entered American life and altered how we think and act in the world. An immensely readable and vibrant work of cultural history, *Promised Land* exposes the rich literary foundation of our culture, and is sure to appeal to all book lovers and students of the American character alike.
