There are others that are appalled by it. Alan Moore A lot of the critique of our growing mechanization was actually at its strongest, and arguably at its most perceptive, during the late 60s. Alan Moore All culture must have arisen from cult. Alan Moore All too often education actually acts as a form of aversion therapy, that what were really teaching our children is to associate learning with work and to associate work with drudgery so that the remainder of their lives they will possibly never go near a book because they associate books with learning, learning with work and work with drudgery. Alan Moore Art makes us feel less alone. It makes us think: somebody else has thought this, somebody else has had these feelings. Alan Moore ... And much more! Click Add to Cart and Enjoy!
